

JOB SIMULATION-2

calculator

A screenshot of a web-based calculator application. The calculator has a dark purple background with rounded corners. At the top, the title "Basic Arithmetic Calculator" is displayed in bold black text. Below the title are two white input fields. The first field contains the number "90" and the second field contains the number "10". Below these fields are four buttons for basic arithmetic operations: addition (+), subtraction (-), multiplication (×), and division (÷). Below the operation buttons, the text "Result: 900" is displayed in bold black text. At the bottom of the calculator is a "Clear" button.
